

TERM SHEET

TROPTIONS, INC. and LEV8 TECHNOLOGIES, LLC

****Project:**** ELEVATE (\$LEV8) Launchpad & Exchange Integration

****Date:**** May 2026

****This Term Sheet is non-binding except as to confidentiality.****

1. PARTIES

- ****TROPTIONS, INC.**** ("TROPTIONS"), a Wyoming corporation, operator of the UNYKORN tokenization infrastructure and TROPTIONS Exchange OS.
- ****LEV8 TECHNOLOGIES, LLC**** ("LEV8"), a Wyoming limited liability company, developer of the ELEVATE (\$LEV8) protocol.

2. TRANSACTION OVERVIEW

TROPTIONS shall serve as the ****exclusive initial launchpad and preferred exchange infrastructure partner**** for the \$LEV8 SPL token on Solana. LEV8 shall integrate \$LEV8 with the TROPTIONS Exchange OS and merchant/partner ecosystem.

3. ECONOMIC TERMS

— Term — Detail —

|-----|-----|

— ****Platform Integration Advance**** — TROPTIONS shall pay LEV8 ****\$10,000**** upon satisfaction of all Conditions Precedent (Section 5) and execution of definitive agreements, to be used exclusively for smart contract audit, Wyoming regulatory filings, and launch marketing approved in a joint marketing schedule. —

— ****Recoupment**** — The \$10,000 Advance shall be recouped by TROPTIONS ****solely**** from the first ****\$20,000 of Net Fees**** otherwise payable to LEV8. If cumulative Net Fees do not reach \$20,000 within ****12 months**** of Public Sale, the unrecouped balance is ****irrevocably earned by LEV8****. ****No** recoupment from issuer treasury, marketing budget, or Day-1 investor proceeds. ****** —

— ****Fee Share**** — ****Tiered structure:**** Months 1–6: ****60% TROPTIONS / 40% LEV8****; Months 7–12: ****50% TROPTIONS / 50% LEV8****; Month 13+: ****40% TROPTIONS / 60% LEV8****. —

— ****Definition of Net Fees**** — Gross trading/launchpad fees attributable to \$LEV8 activity on TROPTIONS-operated platforms, less on-chain transaction costs, chargebacks, and taxes. ****No** deduction for overhead or salaries. ****** —

— ****Payment**** — Monthly, within 15 business days after month-end, with on-chain data export and right of independent blockchain verification. —

4. EXCLUSIVITY

- **Scope:** TROPTIONS is LEV8's exclusive Solana launchpad for the **initial 6 months** from Public Sale Date (TROPTIONS-operated launchpad and liquidity pools only).
- **Carve-Out:** LEV8 may maintain listings on centralized exchanges (BitMart, Poloniex, etc.) and non-TROPTIONS DEX pools without restriction.
- **Performance:** If TROPTIONS fails to generate **\$100,000** in LEV8-attributed trading volume and **500 unique wallets** in the first **90 days** after Public Sale, exclusivity **suspends** (LEV8 may designate another Solana launchpad after 30 days' notice).
- **Right of First Refusal:** After Month 6, TROPTIONS has ROFR on any Additional Token launches by LEV8 on terms no less favorable than any third party.

5. CONDITIONS PRECEDENT (GATES TO CLOSE)

No obligations (including the \$10,000 payment) shall arise until LEV8 delivers and TROPTIONS accepts:

1. Independent securities counsel opinion that \$LEV8 is not an investment contract under *Howey* (counsel independent of issuer principals);
2. Reconciliation of the Operating Agreement securities disclaimer with the consumptive-utility characterization, evidenced by amendment or side letter;
3. Wyoming Notice of Intent filing confirmation (W.S. § 34-29-106);
4. Tier-1 smart contract audit (OtterSec, Trail of Bits, CertiK, or equivalent) with zero unresolved Critical/High findings;
5. SPL token mint address, program IDs, and treasury multisig disclosure (mint renounced or ≥3-of-N multisig with at least one TROPTIONS-observable key);
6. **\$25,000 USDC** deposited into TROPTIONS-designated legal defense escrow;
7. TROPTIONS confirmation of FinCEN MSB / Wyoming money-transmitter compliance status.

6. REGULATORY PROTECTIONS

- **Kill Switch:** TROPTIONS may immediately suspend trading, freeze liquidity, and withhold payments upon any SEC, state, or FinCEN enforcement action, Wells notice, or upon written advice of counsel that continued activity creates material regulatory risk. **No liability for permitted suspension.**
- **Indemnification:** LEV8 shall indemnify TROPTIONS for claims arising from the token being deemed an unregistered security or from LEV8's real estate (SEO/R2O) activities, subject to definitive agreement limitations.

7. MARKETING (LEV8)

Quarterly minimum: four (4) co-branded social posts, one (1) joint AMA, footer/logo placement on lev8.io, and exchange announcements only where CEX listing agreements permit. No open-ended "good faith volume" obligation.

8. DEFINITIVE AGREEMENTS

This term sheet is non-binding except for confidentiality. The parties shall negotiate in good faith toward a definitive Master Platform Services Agreement incorporating these terms within **14 days** of this term sheet's acceptance.
